Deepen Your Leadership Skills

GET CERTIFIED

Win-Win for Both Employers & Employees

- Web: www.biztech-i.com/PLC/200808
- Email: sobise@utm.intnet.mu

- Tel: (230) 234 7624
- Fax: (230) 234 1747

Venue: La Pirogue Hotel, Mauritius

The University of Technology, Mauritius (UTM) in collaboration with Team SYNthesis is pleased to invite you to attend a high calibre course in leadership, the most important success differentiator in Project Management. This course aims at empowering the Project Leaders, Project Managers and all those involved in project management with the skills needed to build high performance teams that can drive projects to successful completion and obtain the desired outcome.

It will be conducted over 5 intensive days covering project leadership (PL) and management key areas, best practices, case studies, coursework, computer-based interactive sessions, group work and knowledge benchmarking. Successful participants will be awarded a PROJECT LEADERSHIP CERTIFICATION, accredited by the UTM.

Recognition

We are pleased to inform you that this course entitles you to
45 PDUs/45 Contact Hours * *(please refer to page 2 of the brochure for more information)*

About the Course

PLC

Recognition

The Project Leadership Certification Course, the first of its kind in Mauritius and the African Region, is anchored by Mr. TAN Chee Peng, CEO of Business Technovise International (represented in Mauritius by Team SYNthesis (Mauritius & Africa) Ltd), which has been reviewed and approved as a provider of project management training by the Project Management Institute (PMI). As such, we are pleased to inform you that attending PLC entitles you to 45 PDU (Professional Development Units) and 45 Contact Hours.

About the Chief Instructor

Mr. Tan is the founder and CEO of Team SYNthesis and Business Technovise International (BTI), a strategic services firm specializing in Business / IT Strategy, Programme & Project Management (PPM) large systems and business process integration projects.

Prior to BTI, Mr. Tan was the managing partner, Andersen Worldwide managing the consulting practice in Mauritius, Madagascar, Kenya, Malawi, Tanzania and Uganda. Mr. Tan, an ASEAN scholar and a First Class Degree holder from Imperial College, UK, has more than 23 years of consulting experience in financial services industry, helping MNC clients in Business IT Strategy Formulation and Implementation, Business Process Reengineering, Programme and Change Management, Performance Management and, e-Commerce strategy and Implementation. He was previously the Vice President, Technology of Citibank N.A, Singapore.

Mr. Tan was conferred the (CITPM, Senior), the Singapore National IT Project Management Certification on 26 November 1998. Based on his professional work in Singapore, Mauritius and Africa, he was independently nominated and admitted to the International Who's Who of Professionals for 1999. Mr. Tan also sits on the Board of Assessor for the Singapore National IT Skills Certification Programme – IT Project Management since its inception.

He is also a Senior Member of the Singapore Computer Society and has been listed on the "SCS Roll of honour" in recognition and appreciation of his valuable support and contribution to the Society. Mr. Tan has given Project/Programme Management Conferences, workshops and training sessions to more than 1,500 PMs worldwide and has successfully completed assignments in more than 30 countries. Mr. Tan is also a Mauritius SAPES recipient.

How does PLC differ from other courses?

This Project Leadership course covers a wide spectrum of issues other than standard project management areas that must be addressed in order to obtain the desired business outcome.

Experienced Professionals of International repute will be speaking at this event. They will give meaningful insights on key areas of project management.

Tool showcase: This unique professional development opportunity offers a platform to meet and interact with experienced Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing world of Project Management.

PLC - The Uniquely Innovative Scope & Approach

What you will go through in this 5-day course is a very enriching experience that will accompany you throughout your professional and personal life. All the best!

Salonee LALLAH, PLC Senior Manager, The Mauritius Commercial Bank Ltd

You'll find these five days an great mix of learning, sharing and rich human interactions which deeply change your outlook on Project Leadership & Management.

Mohd Fuad Muslim, PLC Senior Head, Project Management Department, Bank Muamalat Malaysia Berhad

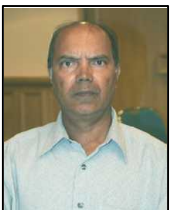

I have found the course most beneficial, especially in enhancing my team's capability in Scope, Time and Risk Management. The icing on the cake is the practical orientation of this course.

Prakash KOWLESSUR, PLC Regular Director, Ministry of Local Government Government of Mauritius

When coming to this course, whether you aim is to be certified or not, be sure that whatever you'll take from it will be extremely useful in your day-to-day work as a professional

Jean Bruno Henriot, PLC Regular Junior Brewer, Phoenix Beverages Ltd

I am very glad to have attended this PLC Session, which has left an indelible mark on me with its professionalism and practical applicability. This sets the beginning of a new journey for me ...

Jeetsing MUNBAUHAL, PLC Regular Chief Engineer, Central Water Authority

Having been in Project Management for over 10 years, this course really surprised me with its depth of content and its refreshing approach. PLC is invaluable, regardless of your current level of Project Leadership or management expertise.

Abdool Cader NAHABOO, PLC Senior Head of Engineering Department General Construction Co. Ltd

Even though I have worked on projects for many years, this has been a great opportunity to enhance and complement my knowledge. A very enriching experience indeed!

Yasdeo Rajesh RAWOTEEA, PLC Senior Head of Card Division, Mauritius Post and Co-operative Bank Ltd

This is far more than a Project Management course, it's an experience. Its pace, intensity and diversity will push you out of your comfort zone and help you go beyond your limits.

Clifford GRENADE, PLC Senior Manager, Harel Mallac Technologies Ltd

If you choose to attend the PLC Course, be forewarned that you will be forced out of your comfort zone. The course will definitely stretch your mind. The mind, once stretched, will not revert to its original state ...

Patrick LOCKSON, PLC Regular Engineer, Mauritius Telecom Ltd

Coming from an academic background, the perspective provided by this course struck me. It is an inspiring, thought-provoking and thoroughly rewarding experience

Ravi FOOGOAA, PLC Senior Lecturer, University of Technology, Mauritius
